

NEVER CAN SAY GOODBYE – Audition Text

Good evening, Fort Myers! How are you all
doing tonight? Transported here on the magic bus
that takes us on our never-ending tour of love,
we are the Beehive Traveling Rock and Roll Revue!

We want you to meld minds with us tonight as we
go back in time. Whether you were there and lived
it, or were dragged here to experience it
tonight, we'll make you a part of the family.

The Hivemind beckons you, feel that groove and
pass it on.

Now, let me look at you! Good people of Fort Myers,
we are going back together to a golden summer
night in the 1970s. We got curling irons, zipping
up jeans with a pair of pliers, eight-track
tapes, and disco on roller skates, all wrapped up
in the music we adore. Are you ready?
